1941 COMMENCEMENT DAY EXERCISES HELD AT GOVERNOR DUMMER ACADEMY

DIPLOMAS AT 178th COMMENCEMENT GIVEN TO SEVENTY-TWO SENIORS

Mr. James Duncan Phillips, President of the Board of Trustees, presented diplomas this morning to 70 seniors and 2 postgraduate students of the Class of 1941 at the graduation exercises which marked the 178th commencement of Governor Dummer Academy. The Reverend Boynton Merrill of the Second Church in Newton, West Newton, delivered the address to the graduating class.

Headmaster Edward W. Eames awarded the commencement prizes, the most coveted of which, the Morse Flag and the Master's Prize, went to John D. Eshelman of Lancaster, Pennsylvania, and to David T. Goodhart of Syracuse, New York, respectively.

Following the award of the Morse Flag the Glee Club gave its last concert of the year in the Lang Gymnasium. Nicholas Lampes of the Class of 1940, tenor soloist in last year's group, rendered two solo numbers.

Parents of members of the graduating class and a large group of guests were served a buffet luncheon on the lawn in front of the Mansion House.

Deerfield Baseball Game

The annual commencement day baseball game with Deerfield Academy will be played at 3 o'clock on Morse Field. This will be the ninth contest in the series between the two schools. After the game tea will be served to all the guests of the school on the Mansion House lawn.

Commencement Dinner

The commencement day activities will be brought to a close with the annual dinner in a large tent on Morse Field. Several hundred friends of the school have been invited and are expected to attend. The dinner will take place at 7 o'clock.

The Commencement Dinner has traditionally become the one occasion of the year when the students, alumni, parents, trustees, masters, and friends of the school have the

Commencement Dinner*

SCHOLARSHIP GIVEN TO SCHOOL IN MEMORY OF RICHARD FRANCIS

At the evening meeting on Alumni Day Mr. Eames announced that the school had been given the gift of a scholarship by Mr. and Mrs. Clarence Francis in memory of their son, Richard Hawes Francis of the Class of 1936. Francis, who was one of the outstanding boys in his class here, was killed in an automobile accident in California.

The gift is to be known as the Richard Hawes Francis Scholarship and is to be given each Commencement to "a senior of high character, who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life."

At the Senior Sing Joseph Attwill Oates of Lynn was announced as the recipient of the scholarship.

Vespers

May 11: The Reverend Richard Greely Preston, Rector of the All Saints Episcopal Church in Worcester.

May 18: The Reverend Markham W. Stackpole, School Minister at Milton Academy, Milton.

May 25: The Reverend Glenn Tilley Morse, Member of the Board of Trustees and former Rector of the All Saints Episcopal Church in West Newbury.

June 1: Mrs. Nancy Dorr Stone.

* * *

Dr. Preston spoke of the tendency to judge people critically by observing their faults rather than their virtues. A critical attitude narrows life and causes often a pessimistic outlook on society. The only one we should analyse critically is ourself; give others the benefit of the doubt.

Everyone, he said, needs the help of his fellowmen in order to get over the difficulties of living, and we all should choose a hero to follow rather than to spend our time criticizing others. Look for the best in others, aim for it, and follow it.

* * *

At the first Vesper service to be held in the new Cobb Room, Dr. Stackpole was the speaker. He chose as his subject the finding of an occupation. In order to make this difficult decision, Dr. Stackpole said that we must prepare ourselves well, then we must think over carefully the various possibilities, and finally we must experiment to find what we are best fitted for. We should try hard to find an occupation for which we have a real aptitude and from which we derive real satisfaction and enjoyment.

Do not decide on an occupation upon the basis of wealth and prominence, he warned, but think rather of being useful to your fellowmen.

* * *

Dr. Morse told us not to be frightened by the apparently great material odds against which we are coming in contact. Materially our enemies may have superiority, but spiritually we have the upper hand. We must not lose faith in God, he urged, for we must continue to believe that although He allows temporal things to be destroyed, yet He will save all that can and should endure.

Religion must be strengthened, because it is the only enduring thing left to cling to.

We must give not only material aid to our allies but also spiritual aid by showing the way of truth and freedom.

* * *

In place of a speaker at the final Vesper service of the school year, Mrs. Stone played three piano selections. The numbers chosen were *Romance* by Sibelius, *Impromptu in A Flat* by Schubert, and *Jesu, Joy of Man's Desiring* by Bach, arranged by Bauer. Mr. Everett Sirois gave a violin solo, *Adagio Soavemente* by Tartini as part of the service.

All the hymns sung at this final Vesper service were chosen as the result of requests by members of the Senior Class.

1941 MILESTONES DISTRIBUTED;

ISSUE DEDICATED TO ARCHITECT

After the Senior Sing last evening the *Milestone*, the senior yearbook, was distributed to the student body. It was then revealed that this year's edition is dedicated to Mr. Walter H. Kilham, architect for the recently constructed unit of the New Building. Mr. Kilham is a member of the Boston firm of Kilham, Hopkins, and Greeley. It was he who designed the dining hall wing of the New Building in 1935 and who drew up the plans for the completion of the unit. It was felt by the editors of the *Milestone* that the school in some way should express its appreciation to Mr. Kilham for the earnest effort and interest he has shown in having the building ready for use in so short a time despite the difficulty at present in securing labor and material. Mr. Kilham was present at the Senior Sing to receive the dedication copy.

There has been little change in the 1941 *Milestone* form from that of last year. The minor sports diary is again being included, and a feature of the issue is a four page spread of pictures of the New Building.

The *Milestone* was prepared for publication by a board under the direction of Cushing Strout, Editor-in-Chief. He was assisted by Paul Morgan and Gordon Johndroe, Associate Editors; Frank Kirkpatrick, Copy Editor; Richard Barrows, Photographic Editor; and by a Business Board of Philip Garfield, Business Manager, and Feaster Newton and John Eshelman. Mention should be made in particular of the number of fine photographs taken by Barrows and also of the invaluable aid rendered by Frank Kirkpatrick in proof reading and Andrew Little in securing advertisements.

PRIZES FOR THE SCHOOL YEAR ARE PRESENTED AT EXERCISES

Prizes for the 1941 school year were awarded by Headmaster Edward W. Eames at the graduation exercises.

The Morse Flag award, the highest honor paid to a senior, was given to John David Eshelman of Lancaster, Pennsylvania. This prize, the American flag which has flown over the campus during the past year, was presented immediately following the graduation exercises. The award was made at a special ceremony at the flag pole when the flag was lowered and a new flag, which will be awarded next year, was raised. The prize is donated each year by the Reverend Glenn Tilley Morse, a member of the Board of Trustees and the restorer of the Academy's eighteenth century schoolhouse. A gold medal also goes to the recipient.

The Master's Prize, awarded each year to the senior who, by his unselfishness and sportsmanship, has best exemplified the spirit of the school was presented to David Taggart Goodhart of Syracuse, New York.

Thorndike Hilton Cup; for the highest scholastic standing in the Senior Class, to Sewall Cushing Strout, Jr., of Portland, Maine.

Music Prize, given annually by Mr. Rupert Neily of Portland, Maine, to a boy because of his understanding and enjoyment of music, awarded to Harold Anthony Knapp, Jr., of Newbury.

Harvard Alumni Prize; presented by the Harvard Club of Boston to an all-round boy in the Junior Class, to David Sumner Jarvis of Worcester.

Goodwin Athletic Prize; for the best all-round athletic record of the year, to Guy Herbert Nichols of Bradford.

Moody Kent Prizes; given annually for the highest standing in each department of study:

History; Norman Conrad Tronerud of Topsfield.

Latin; Lloyd Lewis Seligman of Dinuba, California.

Mathematics; Lester Randall Ackerman of New York City.

French; Sewall Cushing Strout, Jr., of Portland, Maine.

Science; Harold Anthony Knapp, Jr., of Newbury.

German; William Herbert Noyes of Newburyport.

In presenting the *Moody Kent Prize* for *English* Mr. Eames made the following statement: "It is interesting that the prize for the highest standing in English should be awarded to our English exchange student, *William Ainsworth Davison*, of Bromley, Kent, England. Bill has not only won honors in studies, but he has found time, since he has been in this country, to address more than fifty audiences outside of the school, and in so doing has won literally hundreds of new friends for himself and for his country."

For the first time a medal presented by the Alumni Association of the Rensselaer Polytechnic Institute was awarded for proficiency in science and mathematics. It was given to Feaster Herrick Newton of Columbia, South Carolina.

The Washington and Franklin Medal, presented annually by the Massachusetts Society of the Sons of the American Revolution for excellence in the study of American History was awarded to Edward Walmsley Stitt, 3rd of New Rochelle, New York.

Special Prizes

In awarding a group of special prizes, Mr. Eames said: "For the past several years we have awarded a few special prizes to boys who have not qualified for the annual and established prizes, but whose qualities of personality and character were so unusual, or whose contributions to the school life were so important as to call for such recognition. These prizes are provided through the generosity of Mr. Milton Dodge of Newburyport.

"To *Edward Whitley* of Newbury, a high ranking student who has led the school Honor Roll on more than one occasion, an expert baseball manager and one deeply versed in the lore of our National Game.

"To *Clayton Eugene Currier* of Haverhill, a boy whose spirit and courage on the athletic field add inches to his stature, whose wit has enlivened the school year, and whose hard work has won the respect of his teachers.

"To *Joseph Crabbe Brady* of Englewood, New Jersey, whose serene good humor, genuine friendliness, and gentle courtesy have left a warm spot in the hearts of all of us.

"To *Paul Shepard Morgan* of Worcester, because his high scholarship and his improvement as a boy are the result of his expecting the most of himself.

(Continued on Page 12)

COMMENCEMENT DAY

JOHN D. ESHELMAN

*Son of Mr. and Mrs. H. Roy Eshelman of Lancaster,
Pennsylvania, winner of the Morse Flag.*

DAVID T. GOODHART

*Son of Mr. and Mrs. Hugh H. Goodhart of Syracuse,
New York, winner of the Master's Prize*

PAUL S. MORGAN

*Son of Mr. and Mrs. Philip M. Morgan of Worcester,
winner of a special prize.*

RICHARD M. WYMAN

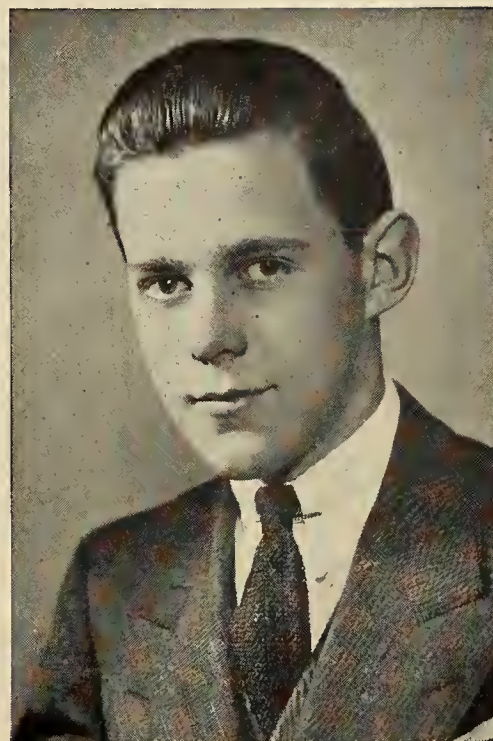

*Son of Mr. and Mrs. Arthur M. Wyman of Beach
Bluff, winner of a special prize.*

PRIZE AWARDS

WILLIAM A. DAVISON

Son of Mr. and Mrs. Herbert A. Davison, Bromley, Kent, England, winner of the Moody Kent Prize in English.

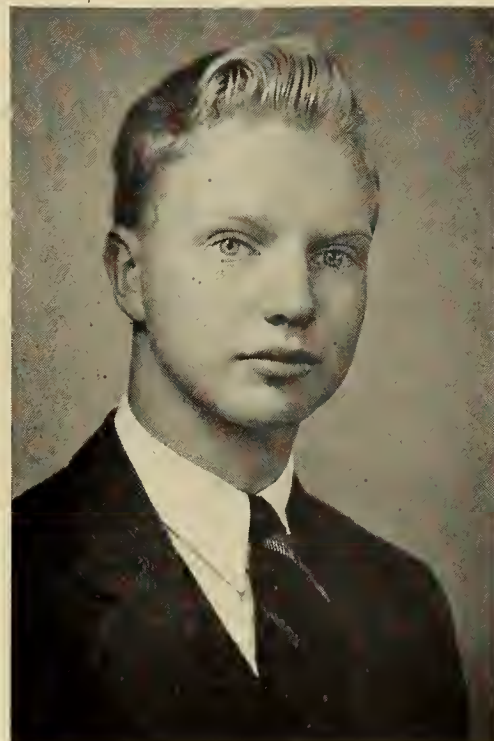

SEWALL CUSHING STROUT, JR.

Son of Mr. and Mrs. Sewall Cushing Strout of Portland, Maine, winner of the Thorndike Hilton Cup and the Moody Kent Prize in French.

HAROLD A. KNAPP, JR.

Son of Mr. and Mrs. Harold A. Knapp of Newbury, winner of the Music Prize and the Moody Kent Prize in Science.

THOMAS C. COLLINS

Son of Mr. and Mrs. Carl I. Collins of Worcester, winner of a special prize.

EDITORIAL

As seniors are preparing to leave school, they should remember the importance of maintaining connections with their school, and they should also look forward to the invaluable associations which they will make in college. It is a well known fact that the right associations can do more in furthering the progress of a person than almost any other one individual factor.

Preoccupation with college activities and with other outside interests connected with undergraduate life will often cause graduates of a preparatory school to forget the academy to which they owe their early training. To prevent this many schools have formed an alumni association through which the graduates are kept in touch with their school by letters from a graduate secretary, by Alumni Days, or by bulletins published by the school containing information in regard to school activities of interest to the graduates. At Alumni Day, May 17, such an association was formed here by the alumni body. Officers were elected and a constitution was adopted. The following week an Alumni Bulletin was sent out by the ARCHON. But the school and an association cannot do everything, those who have graduated must take the initiative to maintain their interest in the academy and they themselves must realize the personal aid and advice that can be given in regard to college and future business occu-

pations by those in the preparatory school who have come to know better than almost anyone else the boys that have spent formative years under their guidance.

To facilitate the making of acquaintanceships in the colleges and to give the boys an idea of what a certain college is like, the school has adopted the custom of having dinners attended by graduates of the school at the colleges where the larger groups of Governor Dummer boys matriculate. The likely candidates from the school also attend these dinners and there they are given the opportunity of meeting and talking with college students who may be of assistance to them in their Freshman year. This system provides another means by which graduates may maintain their contact with the Academy and may be of real service to their school by lending a helping hand to incoming Freshmen, who so easily can get off on the wrong foot if left to themselves, particularly in a large college.

Once in college the matter of keeping in touch with old friends and old associations is only equal to the importance of making new friendships. The various types of extra-curricular activities offered are one of the best methods of making a wide acquaintanceship amongst the student body.

Wide associations and acquaintanceships will always be a source of tremendous value. They will increase enjoyment of life, they will provide for a broader education, and they will aid in achieving a successful and worthwhile place in society.

D. T. G.

S. FORBUSH McGARRY

S. Forbush McGarry of the Class of 1932 died in Laconia, New Hampshire, on May 15, 1941, as the result of injuries received in an automobile accident near that city, where he was in the insurance business.

In his class here at school McGarry was an outstanding boy, and he was one of the special prize winners at Commencement. He was a member of both the ARCHON and Milestone Boards, a member of the Commencement Committee, and a member of the track and wrestling teams.

At Bowdoin he continued his fine record. He was on the varsity football and swimming teams, he belonged to the Delta Kappa Epsilon fraternity, and he was vice-president of Phi Chi.

HEADMASTER GIVES CITATIONS ON MAJOR GRADUATION PRIZES

Following are excerpts from Mr. Eames' speech in connection with the awarding of the Commencement prizes. The citations of the major awards are given.

"I am glad to welcome you all to our Commencement Exercises.

"I will proceed at once to award the prizes for the school year—saving only the award of the Morse Flag, which will be made at the flagpole immediately following the close of this meeting.

"The Master's Prize is given each year by my mother, who, I am glad to say, is with us at these exercises today. It is awarded to a senior who by his unselfishness and sportsmanship has best exemplified the spirit of the school. The boy who most clearly exemplifies the terms of this award is David Taggart Goodhart of Syracuse, New York. Last year an active member of the Building Campaign Committee, this year captain of the soccer team, goal guard in hockey and lacrosse, a sincere and hard-working student, we shall always be proud to point to Dave Goodhart as a graduate of this school.

"The Goodwin Athletic Prize is awarded for the best all-round athletic record of the year. This prize is given to Guy Herbert Nichols of Bradford, who deserves this prize not only for his performance in football, in hockey, and behind the plate, but fully as much because he is one of the best students and best boys in the school. The prize is given annually by Mr. Fred H. Goodwin of the Class of 1916, a member of the Board of Trustees. I am glad that Mr. Goodwin is here this morning and that he can himself award this prize.

"The Thorndike Hilton Cup was presented by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded annually to the ranking scholar of the graduating class. Sewall Cushing Strout, Jr. of Portland, Maine, is not only the best student in his class, but he is also one of the outstanding, all-round boys in his class.

"The Morse Flag is awarded each year 'to the senior whose record in all respects meets with the highest approval of the faculty.'"

After describing the prize, Mr. Eames continued, "This year the Morse Flag is awarded to *John David Eshelman* of Lancaster, Pennsylvania.

PERRY ROOM DEDICATION HELD AFTER TRADITIONAL SENIOR SING

At the Senior Sing last evening on Sunset Hill the *Milestone* dedication was revealed and the winner of the Francis scholarship was announced.

The exercises on Sunset Hill closed with the traditional ceremony of the Senior Song which members of the graduating class sang as they filed past the milestone on the campus.

Directly following the Senior Sing the dedication exercises in connection with the naming of the reception hall in the New Building were held, an address being given by Dr. Lewis Perry, Principal of Phillips Exeter Academy. The room was dedicated to the memory of the Reverend Carroll Perry, a former trustee of the Academy.

SIXTY-FIVE COUPLES ATTEND MILESTONE'S ANNUAL DANCE

Sixty-five couples attended the annual spring dance for the benefit of the *Milestone* on Saturday evening, May 24, to make the affair the largest ever held here at the Academy. The dance was also the first to be held in the new Cobb Room.

Although the baseball game in the afternoon with Moses Brown School was rained out, many of the boys and their guests attended the lacrosse game with Deerfield Academy and the track meet with Kimball Union. After the athletic contests a tea dance was held in the Cobb Room.

MORE BRIEFLY

A set of 32 books including the major philosophical, scientific creative works of the 19th century was recently presented to the library by Mr. George Croston of the Class of 1907.

"John Eshelman is not a brilliant student, but he is a reliable one. He is the sort of boy you can depend upon. He is the sort of boy who is always there when you need him. He has been a member of the football team, the basketball team, and, this spring, is captain of the lacrosse team. By reason of faithful, hard work, by reason of loyalty to his friends and to the school, by reason of leadership in the student body, John Eshelman is awarded the Morse Flag, the highest prize of the school year."

27 CLASSES REPRESENTED AS 1940 ALUMNI DAY RECORD BROKEN

Twenty-seven classes were represented as 108 alumni returned to Governor Dummer on Saturday, May 17, to break all records for Alumni Day. Last year's figure of 95, the previous record, was thus eclipsed by 13.

Afternoon Program

At 4:45 o'clock the dedication of the dining hall to the memory of William Jacob was held before an audience of 300, the dedicatory address being given by Dr. Rufus M. Jones, professor-emeritus of Haverford College, who spoke of the life and character of Mr. Jacob.

Evening Meeting

A special evening meeting was held in the new living room at 7:45. Mr. Sager conducted general school singing and a resume of the day's sports events was given.

The meeting was brought to a close by the dedication of the living room to the memory of Philip Cobb. Dr. Kenneth C. M. Sills of Bowdoin gave the address and spoke on the genius of the American preparatory school and the training which it gives its students through the teaching of such men as Mr. Cobb.

In connection with Alumni Day a special issue of the ARCHON was published as an Alumni Bulletin. The Bulletin contained twelve pages and was prepared especially for the graduates of the school.

STUDENTS HONORED AT SPECIAL EVENING MEETING ON JUNE 3

At a special evening meeting on June 3, spring sports letters were awarded to members of the various athletic teams. At this time David Jarvis of Worcester was announced as 1942 baseball leader and Randolph Morris was named as lacrosse captain for next year.

Several prizes were also awarded to members of the student body. A prize was given to John Skeelee of Rowley for excellence in the study of biology, and William Noyes was presented with the Bausch and Lomb Medal for outstanding work in science. The Dalton Hamor Trophy, awarded annually to the outstanding baseball player of the season, was given to Ernest Bowler, pitcher on the team, and Bruce King, captain of the track team, was given the Track Prize for his outstanding performances.

ANNUAL ALUMNI PRIZE WON BY DR. STORER P. HUMPHREYS '22

Dr. Storer P. Humphreys of the Class of 1922 was announced on Alumni Day as the winner of the Alumni Prize awarded annually to a graduate who has brought distinction both to himself and to the school by his work after leaving Governor Dummer. Dr. Humphreys is well known in medical circles as a specialist in brain surgery. At the present time he is in England where he was sent by the Canadian government to take charge of a neurological hospital near London, where he is applying his discoveries in connection with brain adhesions.

After his graduation from Governor Dummer Dr. Humphreys went to Norwich University and the Yale Medical School, where he was the ranking scholar of his class. In 1937, having completed his internship in Boston hospitals, he was sent to the Montreal Neurological Institute by the Rockefeller Foundation to do research work in epilepsy. In collaboration with Dr. Wilder A. Penfield he did experimental work for the Canadian government which resulted in the discovery of a new remedy for adhesions of the brain to the skull, which he is now applying to war casualties in England.

ALUMNI ASSOCIATION ORGANIZED; CONSTITUTION, OFFICERS SELECTED

At the business meeting of the graduates on the afternoon of Alumni Day, May 17, an Alumni Association came into actual being with the adoption of a constitution and the selection of officers.

The constitution provides that any person who has left Governor Dummer after attending the Academy for at least one year shall automatically become a member of the Association.

The officers chosen as a result of the vote of the members were Richard L. Segler of the Class of 1934, President; Benjamin Pearson of the Class of 1916, Vice-President; Oliver Andrews of the Class of 1935, Secretary-Treasurer; Gerald May of the Class of 1926 and Thomas S. Walker of the Class of 1930, Executive Committee members for two years; and Theodore W. Lacey of the Class of 1938 and Stafford J. King, Jr., of the Class of 1936, Executive Committee members for one year.

SPRING SPORTS

Photograph by Richard Barrows

CAPTAIN BRUCE KING KEEPS PACE WITH THE LEADERS IN THE HIGH HURDLES
RACE AGAINST DEERFIELD ACADEMY

TRACK TEAM FINISHES FOURTH IN N. H. U. INTERSCHOLASTICS

Turning in an unexpectedly fine performance, the Governor Dummer track team finished fourth in the New Hampshire University Interscholastics, at Durham, New Hampshire, earning $12\frac{1}{3}$ points to finish just behind Kimball Union and Moses Brown. Seton Hall walked away with the meet, gaining 70 points.

GOLF SQUAD MATCHES

In the third of a series of total score matches with Exeter and Andover the Governors tied for second with Andover at the Andover Country Club. Lowest score for Governor Dummer was turned in by Captain Bud Wellman with an 86.

Matches were also played with the Ould Newbury Club and with the M. I. T. Freshmen. The former was lost $15\frac{1}{2}$ to $1\frac{1}{2}$ and the latter, $8\frac{1}{2}$ to $\frac{1}{2}$. The final match of the season, that with Worcester North High School was won by the Governors $8\frac{1}{2}$ to $\frac{1}{2}$.

HARVARD FRESHMEN SHATTER BASEBALL WINNING STREAK

The six-game winning streak of the Governors' baseball team was brought to an end by the Harvard Freshmen on May 20 at Morse Field, as they went down to defeat 6 to 0.

The complete inability of the team to touch the offerings of Berg, the Harvard pitcher, who allowed only two hits, and the timely hitting of the Freshmen plus several costly errors accounted for the loss.

Harvard jumped to a three run lead in the first inning on a walk, an error, and a home run, and they added another in the second on a triple stretched into a home run by an error. Two more runs were gained by the Freshmen, one in the fifth and one in the sixth.

LACROSSE TEAM DEFEATS THORNTON

Thornton Academy was defeated by the lacrosse team 8 to 1 on muddy, wet Whipple Field on May 10.

GOVERNORS DEFEAT ALUMNI LACROSSE TEAM BY WIDE MARGIN

Despite the benefit of more experience, the Alumni lacrosse team proved no match for the Governors as the school team won 10 to 4 at Whipple Field on Alumni Day, May 17.

Boasting such players as Ed Sheffield, last year's captain here, all-New England Inter-scholastic player, and now a member of the Williams Freshmen, Pete Pearson, who has played with the Boston Lacrosse Club, and Carl Buechner, former West Point player, the Alumni still could not match the superior conditioning and smooth play-making of the Governors.

Other members of the Alumni team were Gordon Ellis, Spence Brewster, John Hastings, Roland Will, and Adolf Haffenreffer. Joe Oates of the school team filled in at goal for the graduates.

LACROSSE TEAM TAKES ANDOVER FOR FIRST TIME IN FIVE YEARS

Andover fell before the Governors' lacrosse team 8 to 4 at Whipple Field on May 14. The victory marked the first time that Governor Dummer has defeated Andover in this sport over a period of five years.

At the end of the first period the score was 1 to 1, but early in the second period the Governors turned on the steam and poured in six goals in rapid succession. Andover meanwhile managed to secure only two. In the third period each team made one goal, the final canto being scoreless as the Governors concentrated on defense.

DEERFIELD POWERHOUSE DEFEATS GOVERNOR DUMMER LACROSSE TEN

The Deerfield Academy lacrosse team, which has been rolling up tremendous scores on all opponents this spring, was held to its lowest margin of the year as it took the measure of the Governors 7 to 2. The game was played in a severe rainstorm at Whipple Field on Saturday, May 24.

Eagen, the visitor's star, scored twice early in the first period, but the Governors quickly retaliated on a goal by John Mortimer, who rolled one into the nets.

Deerfield made two more tallies in the second period, while Captain John Eshelman put in the second for Governor Dummer.

GOVERNORS' NINE GAINS SIXTH STRAIGHT WIN ON ALUMNI DAY

The Governor Dummer baseball team remained in the win column for the sixth straight time as it took the measure of Kimball Union Academy on Alumni Day, May 17, on Morse Field. With the score 3 to 0 in favor of the Governors, the game was remarkably well played and was completed in the very fast time of one hour and 20 minutes. Ernie Bowler pitched beautifully throughout, allowing but 2 hits and striking out 13.

In the very first inning Fuzzy Whittles' long triple over the center-fielder's head accounted for one run and in the fifth three singles by Dave Jarvis, Whittles, and Bob Pickett preceded by Bowler's double accounted for the remaining two runs.

KIMBALL UNION TRACK SQUAD UPSETS GOVERNORS' TEAM

The Kimball Union track team trimmed the Governors 70½ to 46½ at South Byfield on Saturday, May 17.

Captain Bruce King tied for first in the high jump and gained a first in the low hurdles and third in the high hurdles. Harry Barr secured a first in the javelin, second in the 220, and third in the 100 yard dash and 440. Other point winners were Dick Barrows with a first in the discus and third in the shot put; Fred Jellison with a second in the javelin and third in the low hurdles; Hal Knapp with a first in the mile run; Jim Melick with a second in the discus; and Bob Covert with a third in the javelin.

NINE OFFERS STIFF RESISTANCE BUT LOSES 5 TO 2 TO EXETER

Although two of its best ball players, first baseman Bob Pickett and shortstop Fuzzy Whittles, were sidelined due to injuries, the nine made a great bid for victory at Exeter on May 28, finally dropping a close encounter 5 to 2.

After two scoreless innings the home team smashed out three runs in the third and followed these up with one more in the seventh and eighth. The Governors were not able to get to the Exeter pitcher until the fifth, when three singles and a base on balls fashioned one run. The second run came in the eighth on three bases on balls.

Photograph by Richard Barrows

WHITTLES HITS A SINGLE IN THE NOBLE AND GREENOUGH GAME

EIGHT GOAL FINAL PERIOD GIVES VICTORY TO M. I. T. FRESHMEN

The Governor Dummer lacrosse team lost a heart-breaker to the M. I. T. Freshmen 10 to 6 at South Byfield on May 16.

The first half was nip and tuck all the way. After the Freshmen scored first, Captain John Eshelman evened the count, and when M. I. T. went ahead again, John Mortimer tied up the contest. In the third period the Governors stepped out in front on two more goals by Eshelman and Mortimer.

In the final period the visitors became a new team. Given an inspirational lift by the return of their captain, who had been removed earlier in the game due to an injury, the Freshmen put away eight shots. Only Bill Abbott and Stub Webster were able to provide any offensive strength for the Governors, each making one successful shot.

BASEBALL TEAM RALLIES TO WIN FROM THAYER ACADEMY 5 TO 3

The baseball team chalked up its fifth straight victory as it defeated Thayer Academy 5 to 3 at Morse Field on Wednesday, May 7.

GOVERNOR DUMMER TENNIS TEAM ENGAGES IN NUMEROUS MATCHES

The tennis team had a rather unsuccessful season this spring as it managed to win only one match, defeating Thayer Academy 4 to 1. Losses were suffered at the hands of Haverhill High School 1 to 4, Brooks School 1 to 6, Portsmouth Priory 0 to 5, and Kimball Union 0 to 6.

A feature of the season was the excellent play of the number 2 doubles team of Julio Ortega and Ed Flynn. It was this combination which won particularly all the points for the team, being defeated only twice.

After the regular season the annual match was played with the faculty, the masters winning 5 to 4. Mr. Jennings defeated Cushing Strout, Mr. Barry took Bill Kirkpatrick, and Mr. Sager won from Dave Bowker in the singles. In the doubles Mr. Eames and Mr. Sager defeated Strout and Humphrey Simson, and Mr. Hill and Mr. Barry also won.

Members of the tennis team who won their matches were Simson over Mr. Murphy, Julio Ortega over Mr. Hill, and Jim Monroe over Mr. Wickenden in the singles, and Ortega and Ed Flynn over Mr. Jennings and Mr. Murphy in the doubles.

TRACK TEAM NOSES OUT HAVERHILL HIGH SCHOOL IN VERY CLOSE MEET

The track team nosed out Haverhill High School 50 to 49 at Morse Field on May 21 for a close victory.

Captain Bruce King was as usual high point man with seconds in the pole vault, high jump, and 220, and a first in the low hurdles. Dick Barrows won both the discus and the shotput, Harry Barr was first in the 440 and second in the 100, Hal Knapp was first in the mile, Les Ackerman first in the pole vault, Fred Jellison second in the low hurdles, and thirds were won by Walter Dietzgen in the discus, Pike Noyes in the shot, and Al Wyer in the 880.

LACROSSE TEAM LOSES FINAL GAME

The lacrosse team lost their final game of the season, being defeated by the University of New Hampshire Freshmen 6 to 2 at Durham, New Hampshire, on May 28 in a poorly played game.

TRIANGULAR MEET AT MILTON

The Governor Dummer track squad finished third behind Milton Academy and Hackley School in a triangular meet at Milton on May 30. Milton received 66 points, Hackley, 35½, and Governor Dummer, 19½.

PRIZE AWARDS

(Continued from Page 3)

"During his four years at Governor Dummer, Tom Collins has played on many of the school teams and has served as an editor of the school paper, but the faculty will remember Tom as a boy who, after an indifferent start, turned into one of the most hard-working and most successful seniors we can remember. A special prize to *Thomas Crump Collins* of Worcester.

"To *Richard Maverick Wyman* of Beach Bluff, at once an artist and a hockey captain, proficient in divers strange dialects with which he entertains himself and others, an enthusiastic and whole-hearted participant in a wide variety of activities."

COMMENCEMENT

(Continued from Page 1)

opportunity of gathering informally. Under the direction of Mr. Sager the entire group will engage in singing.

Upon the list of speakers will be Dr. James Rowland Angell, president-emeritus of Yale University. The second speaker on the program will be The Reverend Vivian T. Pomeroy, minister of the First Unitarian Church in Milton, will also speak.

Dr. Claude Moore Fuess, Headmaster of Phillips Academy, Andover, will act as toastmaster.

SENIOR GROUPS VISIT COLLEGES TO ATTEND GRADUATE DINNERS

During May reunion dinners were held by Governor Dummer alumni at Bowdoin, Amherst, Williams, and Harvard. Invited to these dinners were the boys from the school who intend to enter these colleges next September. Mr. Eames and Mr. Sager also attended the reunions, and Mr. Eames spoke at each about activities at school which might interest the graduates. Following the dinners a president and secretary of the Governor Dummer alumni group in each college were elected.

Bowdoin Dinner

On May 8 the Bowdoin dinner was given at the Moulton Union. The following attended from school: Mr. Eames, Mr. Sager, Carleton Greenwood, Robert Jurgenson, Norman Tronerud, Richard Winckel, Sheldon Carbee, Anthony Reddy, and Neal Cox.

The following undergraduates were present from the college: Seniors: Stanley James, Dana Jones, and Rupert Neily; Juniors: Francis Pierce; Sophomores: John Abbott, Macomber Lord, Benjamin Pierce, and Clark Young; Freshmen: Leigh Clark, Kimball Eastman, John Nissen, and Stanley Whiting.

From the group Francis Pierce was chosen President and Abbott and Benjamin Pierce, co-Secretaries.

Amherst Dinner

The Amherst dinner was given at the Delta Upsilon House on May 12. Those who attended from school were Mr. and Mrs. Eames, Mr. Stott, Mr. Sager, Henry Skeelee, Joseph Oates, and William Abbott.

Amherst undergraduates present were Seniors: Charles Callahan, Edwin Murphy, and Clark Neily; Juniors: Thomas Johnson, Theodore Lacey, and Richard Page; Sophomores: Miles Cristman, Adrian Hasse, Charles Hewitt, Samuel Kitchell, Edward Koenig, and Edmund G. Noyes; Freshmen: Andrew Bailey and Leonard Zins. Roy Morse and Richard Curtis, alumni at Massachusetts State College, also attended.

Lacey was elected President and Hewitt, Secretary.

Williams Dinner

At Williams the dinner was given in St. Anthony Hall on May 13.

Mr. and Mrs. Eames, Mr. Sager, Mr. Navins, David Goodhart, Cushing Strout, and Gordon Johndroe came to the dinner from

Governor Dummer. The Williams undergraduates attending were Seniors: Donald T. Gibbs and Woodbury Smith; Juniors: Fred Heyes; Sophomores: Loring Hubbell, Henry Payson, George Simpson, and Spencer Brewster; Freshmen: Edward Mulcahy, Edwin Sheffield, and Lawrence Van Doren.

Heyes was made President of the group and Payson, Secretary.

Harvard Luncheon

On May 15 at the Faculty Club the candidates for Harvard were entertained at luncheon by the graduates. Mr. and Mrs. Eames, Mr. Sager, Mr. Murphy, Mr. Curtiss, Philip Damon, Walter Dietzgen, Paul Morgan, Samuel Robbins, Julio Ortega, and Philip Shea attended from school. Alumni present were Seniors: Hart Rogers; Juniors: Sumner Andrews and Richard Merrill; Sophomores: James Arthur, Leopold Ackerman, John Burnham, Robert Hurley, John Klotz, and Harrison Poole; Freshmen: James Dodge, James Dyer, Karl Klaussin, John Newman, and Benjamin Wright. Mr. David Wheatland of the Board of Trustees was also present.

Andrews was elected President of the group for next year and Poole was chosen Secretary.

SENIOR CLASS ATTENDS SPECIAL

DINNER; CLASS GIFT PRESENTED

On Sunday evening, June 1, a special lobster and chicken dinner was held for members of the Senior Class in the new school store.

Lewis Harrower, President of the Senior Class, acted as Toastmaster. Richard Wyman gave a humorous account of the history of the class here at the Academy and Cushing Strout prophesied what the future holds for the class. William Davison, English exchange student, also gave a short talk.

The gift of the Class of 1941 was revealed at this time. As an Alumni Association has officially been formed, it was decided by the seniors to give the money ordinarily used for the purchase of a gift directly as a contribution towards the formation of an Alumni Fund.

MORE BRIEFLY

Dr. Sarah Millman Rosenfeld spoke to all the chemistry classes here on Thursday, May 27, on the subject of organic chemistry. Dr. Rosenfeld has received her Ph. D. from the Massachusetts Institute of Technology.
